LANDSCAPING, CONSTRUCTION & GARDEN MAINTENANCE

DO YOU LOVE WORKING IN THE OUTDOORS? A CAREER WITH APG MAY BE FOR YOU!

Bedford's Adelaide Property and Gardens division (APG) has been providing commercial landscape and horticultural services for more than 30 years to commercial developers, local councils and private customers, across metropolitan South Australia.

APG's success is due to its commitment to providing employees opportunities for personal and professional growth. APG teaches skills through on the job, hands-on training in landscaping, irrigation, plant and equipment use, general garden maintenance, essential workplace skills and workplace health & safety.
